What does Hawai'i State Law require for childcare facility and school attendance?

Hawai'i State Law requires all students to meet physical examination, immunization, and tuberculosis clearance requirements before they may attend a childcare facility, preschool, or public/private school in the State.

Are exemptions allowed?

Children may be exempt from immunization requirements for medical or religious reasons, if the appropriate documentation is presented to the childcare facility or school. Religious exemption forms may be completed at the childcare facility or school that your child will attend. Medical exemptions must be obtained from your child's healthcare provider. No other exemptions are allowed by the State.
